About us: Our club “Young Initiative Education, Youth and Sports Club Association” has been established in 10.03.2015.

We carry out activities on individuals with low family income, suffering poverty, deprivation and social exclusion in the field of education. Our action goes to prevent them give up education, to activate a deep cultural change and build their own interactive community of informed and passionate individuals and internalize the values of European Citizenship.

We are accredited organization for Hosting-Coordinating-Sending organization for European Voluntary Service. By this mean, we are the Hosting and Coordinating organization for the project 'Let's Make it with Sport' which will take place in Ankara, Turkey.

# Objectives/ Activities/ Schedule

---

This programme has been planning under the spirit of EVS and focusing on the following learning objectives.:

- Communication in the mother tongue
- Communication in foreign languages
- Mathematical competence and basic competences in science and technology
- Digital competence
- Learning to learn
- Social and civic competence
- Sense of initiative and entrepreneurship
- Cultural awareness and expression

EVS volunteer will have the opportunity to participate in many different activities and projects throughout the EVS. These main activities can be categorized in two parts as office works and outdoor activities.

# Why this project?

## Because we want to:

- Raise awareness about sport in our society;
- Get locals involved as much as possible;
- Raise cultural awareness through having an intercultural environment;
- Get a large number of people introduced with Erasmus+ programme and its limitless opportunities;
- Extend Network at organizational and community level;
- Build bridges of communications between volunteers and locals;
- Promote Erasmus+ programme and European citizenship;
- Promote healthy lifestyle in the communities where the project will take place.

## Tasks of the volunteers

---

### **The main tasks of the volunteer at the GENÇ GİRİŞİM (Young Initiative) Office and outdoor during EVS:**

The volunteer will work 7 hours per day, 5 days per week. Saturdays and Sundays are free. Working Hours: 09:30-17:00 - Holidays: The volunteer will have two consecutive days off per week and will also have two days of holiday per month for the whole duration of the EVS project. # Language Support and Mentor

---

Turkish Language Lessons are the compulsory part of the weekly schedule. The language course will be adjusted according to the volunteers needs.

The volunteers will receive language support 5 hrs per week in order to facilitate their communication with locals and to 'survive' for their daily necessities.

We will provide mentorship to the volunteers. Our mentor is experienced in Erasmus+ programme and is a local citizen which will support the adaption process of the volunteer in the hosting community.

## Non-formal and informal education

---

Mereover, the volunteer will join the projects, which are implemented by experts and international and Turkish volunteers. Any contribution to improve the project is requested and welcomed. According to their interest, the EVS volunteers will have the possibility to join other projects, which are national or international and hosted by Genç Girişim. Thus, volunteers can spend their free times in effective and enjoyable way.

## Venue

---

The venue for EVS service: Ankara – is the capital of Turkey and the country's second largest city. Located in Central Anatolia, Ankara is an important commercial and industrial city. It is the center of the Turkish Government, and houses all foreign embassies. It is an important crossroads of trade, strategically located at the center of Turkey's highway and railway networks, and serves as the marketing center for the surrounding agricultural area. The population of Ankara – more than 5,5 mln. Ankara has a hot-summer continental climate. Due to its elevation and inland location, Ankara has cool, snowy winters and hot, dry summers.

Rainfall occurs mostly during the spring and autumn.

The Electricity, Gas, Bus General Directorate (EGO) operates the Ankara Metro and other forms of public transportation. Ankara is currently served by a suburban rail named Ankaray and three subway lines of the Ankara Metro.

## ANKARA RAPID TRANSIT NETWORK

The Ankara Central Station is a major rail hub in Turkey. The Turkish State Railways operates passenger train service from Ankara to other major cities, such as: İstanbul, Eskişehir, Balıkesir, Kütahya, İzmir, Kayseri, Adana, Kars, Elâzığ, Malatya, Diyarbakır, Karabük, Zonguldak, Sivas, Sincan and Kayaş, Konya.

Ankara Intercity Bus Terminal (AŞTİ) is an important part of the bus network which covers every neighbourhood in the city. Esenboğa International Airport, located in the north-east of the city, is Ankara's main airport.

Office of Genç Girişim located in the central part of the city named Çankaya.

## Travel

The travel costs will be reimbursed ONLY by presenting the boarding pass, receipt of complete and original tickets, invoices, bills, etc. The reimbursement will be done before the volunteer's departure after completing on-line check-in.

# How to reach the center of Ankara from Esenboga Airport?

---

When you exit the airport, on your right you will see shuttle bus stop Belko Air.

The ticket for this bus is 11 TL (~3 EUR) and they depart from the airport every 30 min.

The travel from airport to city center takes around 40-60 min.

You should go to the city center - the stop named: KIZILAY. From there we will pick you up!

Please call us when you are in Belko Air bus!

## Accomodation

---

Volunteers will be accomodate in an apartment pretty close to the center of Ankara. The location offers safety and security for volunteers and makes it easy to any kind of transportation. The apartment due to its location it makes it easy to reach at any hour during the day and night.

As there will be two volunteers hosted at a given time, they will share the apartment together. Each volunteer will have its own room and will share the common space such as: living room, kitchen and bathrooms.

Free Internet connection will be provided for them(WiFi).

To save this House we have few simple rools for inmates:

- using all equipment and furniture carefully and keep in good condition;
- to keep home clean;
- in case of any technical problems in house to connect with EVS Coordinator.

# Local Transport

---

The volunteers will be reimbursed in case of using the local transport for reaching our office or other working places. They will need to collect the tickets and we will reimburse once for the whole month. There are many options of transport such as: Metro, public buses, mini-buses (dolmus) and taxi (which is affordable in case you use for short distances in case of any emergency).

# Visa & Insurance

---

Volunteers who comes for long term EVS have to obtain visa before they arrive in Turkey. Please check the visa regime of Turkish Government at Volunteers should preapre and submitt the CIGNA Health Insurance together with their Sending Organisaiton before just after signing the Internal Agreement for EVS. The health insurance covers the volunteers since the project starting date until two months after project finishing date. The volunteers do not pay for health insurance.
